### VERSE I

Sittin' alone at a table for one,  
Lookin' back on all the things I hadn't done.  
Didn't say I love you when I should,  
Bring her flowers when I could.  
Now I'm sittin' at a table for one.

Don't take for granted who you love,  
Cause they might give up,  
And be sittin' at a table for one.

### VERSE II

Sittin' alone at a table for one,  
Thinkin' back on all my moments in the sun.  
Too many nights, I stayed out late,  
Many times I made her wait.  
Now I'm sittin' at a table for one.

What I didn't do can't be undone,  
Sure hope I had fun,  
Cause now I'm sittin' at a table for one.

### INSTRUMENTAL BREAK

### VERSE III

Sittin' alone at a table for one,  
There's a part of me that wants to turn and run.  
Too many nights, I stayed out late,  
Many times I made her wait.  
Now I'm sittin' at a table for one.

What I didn't do can't be undone,  
Sure hope I had fun,  
Cause I'm sittin' at a table for one.
